Professor G. S. Brett,

Cedarhurst,

Beaverton, Ont.

Dear Professor Brett:

Professor Tracy was appointed on Tuesday as full professor of Ethics in University College. I fancy this meets the difficulties that you suggested in his case. You have also been appointed Professor of Philosophy in the University at \$2100. These re-arrangements, I am confident, will remove many of the difficulties in our Philosophy Department.

I spoke to Dr. Macallum about the other matter, and he thinks that two members of the Executive Committee should be appointed to undertake the interviewing of candidates for the degrees.

I hope that you will have a pleasant summer, and remain with kind regards,

Yours sincerely,

President.
